K'un-Lun Mountain Range.

Who am I?

I am the
Iron Fist.

Bei Ming-Tian. Iron Fist c. 1227 A.D.

I stand before the
unstoppable hordes...

...and I hold
them back.

That's what I do.

What I've always done.

I am the Iron Fist.

I hold back the storm...

...when nothing else can.

THE LAST
IRON FIST STORY ^{part} 1

But it should've been **you**, Father.

This was to be **your** legacy, not mine.

But you returned to the world, instead...

To build the empire I now run...

...and start a family.

This was the world **you** chose and now...

...I'm what you **would** have been...

...if you hadn't been knocked from your path.

I can still feel the **frost** of that day, lost in the K'un-Lun Mountains...

...can still hear Mother's screams as you **fall**...

...the howling of the **wolves** that pursued us...

...and the sounds they made as they took her from me.

She saved my life, even though she didn't believe your stories.

She thought you had gotten us **all** killed... But she was wrong.

The mystical City of K'un-Lun did exist high in those mountains...

...you had simply forgotten the path.

Daniel Rand. Iron Fist c. 2006 A.D.

For me, it seems almost a lifetime ago...

...standing in the caves of **Shou-Lao the Undying**...

...after I had fought for the **honor** of facing certain death.

I was the **champion** of K'un-Lun...

...and this was my destiny...

...as it had been yours.

To **seize** the power of the dragon...

...to plunge my hands into his **molten** heart...

...to change them into things ...

...like unto **iron**.

THAT
ALL YOU GUYS
GOT?
I WAS
JUST GETTING
WARMED--

--UP?

Dammit--
behind me.

Careless.
Impatient.

Rand

In many ways...

...I'm the same
careless and
impatient boy
you left behind.

But what I find is row after row, aisle after aisle and desk after desk, perfectly manicured, with all the trappings of productivity...

...and it all feels false.

My feet pad silently on carpets that feel brand-new, unused...

Somehow I just know that nobody's worked here in a long time...

Certainly not since that **logo** was painted on the wall.

And just as I'm wondering what that means...

...the answer appears all around me.

The hordes of **Hydra**.

Didn't think of that.

...a **Hydra legion** chasing me across the rooftops of Manhattan...

...while a Hydra **front** corporation is making moves against Rand Corp.

...while I simply **leap** before I **look**, as always.

But they have a life
that I can never know...

...because this burden that should have
been yours, now rests solely on me.

It's my life's work,
this **great sacrifice**.

I chose the path
that you turned
away from...

...and often I think I
understand why you did so.

*Because sometimes, Father...
as you know so well...*

...no matter how hard we try...

*...no matter how dutiful
we are to our sacrifice...*

...no matter how high we climb...

...we can fall.

...MY FATHER'S JOURNAL DIDN'T LIE.

YOU SHOULD PRAY IT DID NOT.

WE BROUGHT YOU BACK FOR A REASON, DAVOS...

...BUT WE WILL BE MORE THAN HAPPY TO TAKE YOU AWAY AGAIN.

JUST GIVE ME A LITTLE MORE TIME, DAMN YOU...

"...HE IS NEARLY IN MY GRASP."

MISTER?

MY SISTER AND I HAVE COME, AS DESIRED...

KNOCK KNOCK

HELLO? THEY TOLD US ROOM 12...

KNOCK KNOCK

WHAT THE HELL...?

I'M SORRY, GIRLS, YOU'VE REALLY GOT THE WRONG--

Orson Randall. Iron Fist, c. 1915.

Remain in motion--

There is no

There is no

No shame in

There is no shame in death...

...only in a life lived
in **fear** of death.

And I ask you...

Do I look like a man
afraid of dying?

DANNY,
DON'T BE AN *IDIOT*.
YOU ALMOST *DIED*
LAST NIGHT...

MEH.

DON'T "MEH" ME.
I ALMOST CALLED AN
AMBULANCE.

JERYN,
I *DIDN'T*
ALMOST DIE...
I'M FINE.

BUT SOMETHING *IS*
GOING ON, AND I HAVE TO
FIGURE OUT WHAT.

AND I
KNOW YOU
DON'T LIKE
IT...

...BUT THIS
IS SOMETHING
I HAVE TO DO
ALONE.

My name is
Danny Rand.
I am the
Iron Fist.

But somewhere in
this city, someone
else is using *my*
power...the power
of the *dragon*.

And according to
everything I was
taught...that isn't
possible.

THE LAST
IRON FIST STORY part 3

The power of Shou-Lao the Undying, which burns inside me...

...is meant to be mine alone.

It has been **stolen** from me before, but what I felt last night was different.

This was more like a **shock wave** tearing through the city...

...but the only one who could **feel** it was me.

And it brought me to my knees.

Somehow, someone touched my Chi... and I could feel **theirs**, too...

...vibrating through me.

So I concentrate, and focus my energy on following those ripples and vibrations.

Someone is using the power of the dragon, and I need to find out who.

...AND, UPON **CONFIRMING** THIS WASN'T THE IRON FIST KNOWN AS "ORSON RANDALL," THE SQUAD DISPERSED AND LEFT **DANIEL RAND** UNCONSCIOUS.

ALARMS WERE SOUNDING. SO RATHER THAN RISK EXPOSURE, THEY ASSUMED HIS APPREHENSION WAS IMMINENT AND TERMINATED THE CONFRONTATION.

HOWEVER, OUR INTELLIGENCE SUGGESTS HE EVADED S.H.I.E.L.D. CAPTURE AND FLED.

...

"INTELLIGENCE." INTERESTING CHOICE OF WORDS.

FIRST YOUR FAILURE TO CAPTURE RANDALL AND NOW THIS-- I **ORDERED** YOU TO STAY AWAY FROM RAND. HIS FATE BELONGS TO ME.

WE DID STAY AWAY. HE CAME TO US AND MY MEN REACTED.

YOUR MEN?

...

THE MEN. AND IT WON'T HAPPEN AGAIN.

One day...

One day I will kill you.

One day, this mantle bestowed upon me... the **Iron Fist**... one day it will kill me. I know this.

And I hope it's a glorious, heroic death.

I hope I die in a way that honors my gifts.

I hope I **embrace** my death when it comes.

I imagine fire.

I imagine blood.

I imagine it will look...

...something just like **this**.

The shock wave I felt radiating through me last night...

...originated here.

I swear on everything I am...

...I will find whoever the hell did this...

...and stop them with my bare hands.

I'M, AH, MR. RANDALL,
SIR, I'M TRYING TO
WRITE A BOOK ABOUT
THE WAR. ABOUT
THE--

THE VETERANS. I WANT TO
KNOW HOW, NOW THAT THE
WAR'S OVER, HOW YOU AND
OTHER VETERANS ARE FINDING
YOUR WAY BACK--

SURVIVORS.

NOT VETERANS.
SURVIVORS.

GIMME
THAT.

HEY--

I'VE STOOD ANKLE-DEEP

AND MEAT THAT USED
TO BE MEN I *KNEW*.

YOU CAN'T

FULL OF CORPSES.

YOU WON'T

TODAY.

S.H.I.E.L.D. agents scour the skies, hunting **the good** as well as **the bad**.

On top of everything else, my own **government** has forced me to work from the shadows...

Even my own girlf-

This whole thing is just ridiculous.

Add to that a HYDRA front company trying to gobble Rand up one piece at a time...

My ex-girlfr...

My **whatever** Misty is. Even **she's** on their side.

...to say nothing of whoever is tapping into the power of Shou-Lao...

...and it looks like my entire life is under siege.

Feels like it, anyway.

I need to get Jeryn in on this. He needs to know the scale of what we're dealing with...

...because I can't do this on my own.

I can't even do this as **Iron Fist**...

And since I can't go to S.H.I.E.L.D. or Stark or anybody else...

I need to face this as **Danny Rand**.

I'll need every asset of my father's most precious gift to me...

...this mighty, undying corporation...

And every last dollar of its lifeblood...and all the power that buys.

You want a war, Hydra?

Fine. You've got it.

YOU ARE
A SOLDIER...
FIGHTING IN *MY* WAR...
ARE YOU NOT?

YES,
MASTER.

THEN TELL
ME, SOLDIER...
ARE YOU *AFRAID*...
TO *DIE* FOR ME?

N...NO...
MAS...
MASTER.

YOUR BROTHERS
DIED FOR ME. YOUR
BROTHERS DIED WITHOUT
SHAME AND WITHOUT
HESITATION.

AND WHILE...
YOUR BROTHERS
FAILED...THEY
FAILED WITH
HONOR.

YOU...

YOU DIDN'T
EVEN MAKE IT
OUT OF THE *CAR*.
YOU NEVER EVEN
FOUGHT.

Focus on the pain.

*Pain cuts through
the fear...*

A close-up, high-contrast illustration of a character's face. The character has dark, spiky hair and is looking directly at the viewer. Their eyes are heavily shadowed and appear to be covered by white bandages or tape. The character's mouth is slightly open, revealing a white, possibly metallic or plastic, device or bandage. The background is a solid, light green color. The overall style is reminiscent of a comic book or a graphic novel.

...and with the fear gone...

A stylized illustration of a man in a suit with his hand raised, with a circular inset showing a close-up of his hand. The man is depicted in a high-contrast, graphic style with a green background. The circular inset shows a close-up of his hand, which is holding a small, glowing orange object. The overall mood is one of revelation or discovery.

...I find the clarity...

It was a million-to-one shot.

Of all the cities in all the countries in all the world, my old man had to crash his **transglobal airship** into the heart of **K'un-Lun**... the one day in **ten years** it was on this plane of existence.

But Dad always was...**gifted**.

It's a miracle nobody died that day.

Either in the air...

KFWHAM!

HEAR ME WELL, CELESTIALS--MY WIFE IS EIGHT MONTHS PREGNANT...

...SHE NEEDS IMMEDIATE MEDICAL ATTENTION, OR BY GOD, ALL OF YOU WILL.

...or on the ground.

And that's how the Randall family came to K'un-Lun.

COUPLE WEEKS LATER, I WAS BORN THERE.

THEY ACCEPTED ME AS A NATIVE-BORN SON.

I WAS TAUGHT BY YU-TI, AND TRAINED BY LEI KUNG THE THUNDERER.

LEI KUNG, MY MASTER?

YEAH, HE WAS MY MENTOR, TOO, KID. HE'S IMMORTAL, REMEMBER?

HE WAS A FRIEND. AND TAUGHT ME EVERYTHING I KNEW. WELL...

...ALMOST.

GREAT, ORSON. SO YOU LEARNED YOUR KUNG FU FROM LEI KUNG AND SMITH & WESSON?

LISTEN TO YOU. YOU DON'T KNOW A THING ABOUT YOUR OWN HISTORY.

WU AO-SHI, THE PIRATE QUEEN OF PINGHAI BAY, COULD EXTEND THE SHOU-LAO CHI INTO THE ARROWS FIRED FROM HER BOW...

...AND IT WAS WRITTEN THAT HER ENEMIES FELL AS IF LIGHTNING FROM GOD HAD DESTROYED THEM.

NOW SHUT UP AND TRY TO KEEP UP.

THE LAST
IRON FIST STORY ^{part} 4

On my sixteenth birthday, I faced the **Serpent King**.

And a year later I fought Shou-Lao the Undying... without fear, as I had been **raised** to believe I was **born** to defeat him.

It wasn't until I touched the beast's still-beating heart...

...and felt its **chi** flowing into me...

...that I realized that being the **Iron Fist** was more than simply a title.

Every soul in K'un-Lun came to see the **outworlder** who became a native, and the native who became their champion.

And as I stood before them, I knew that being their champion would bring only **death**.

That would be
my legacy.

For I was a
living weapon.

And I would
know *deaths*...

...by the score.

Later, when they
summoned me *home*,
I returned, but...

...I was more of an
outworlder than ever.

My adopted home,
my adopted family...

...didn't
understand what
I had become
until I *fled*...

EXCELLENT
WORK, DANNY.

WELCOME TO THE
FIVE POINTS STATION--
THE **CROWN JEWEL** IN
MY FATHER'S EMPIRE OF
HYPOTHETICAL
SCIENCE.

My father is *Lei Kung the Thunderer*.

And I have faced greater odds than *this* as a mere *child*.

I am a *champion*.

And they think I'm *performing* for them.

When in truth, I'm merely *passing the time*...

...until I can claim the **destiny** that this **fallen world** has conspired to **keep** from me.

In spite of my alleged **defeat** at the hands of...**the tourist**... Wendell Rand, I dared to face **Shou-Lao the Undying**...

I knew the power of the **Iron Fist** was rightly mine; I sensed a grand **conspiracy** that kept me severed from it.

Only fools fear their destiny.

Or fear the **pain** that is destiny's inevitable **price**.

Those who **understand** allow **no obstacle** to stand in their path...

Just as **my path** saw me
cast out of the Heavenly
City of K'un-Lun forever...

...and into the
orbit of the
wretched and
treacherous.

I am Davos, the Steel Serpent.

That which is not **given**
to me is mine to **take**.

Not even **death**
could stop me.

Try as it **might**, as it did
when I tried stealing Daniel
Rand's chi from within him...

And even from that, I
have returned to **roam**...

...for only
destiny truly
understands...

I am a champion.

I'M SORRY--PLEASE REPEAT YOURSELF? I WAS...*DISTRACTED*... MOMENTARILY BY THE MOST *REMARKABLE* SIGHT.

I BELIEVE WE WERE NEGOTIATING YOUR *SURRENDER*, MR. HOGARTH.

THAT'S AN INTERESTING WAY OF *FRAMING THE ISSUE*, MR. XAO. I PREFER TO THINK OF IT AS NEGOTIATING FOR THE FUTURE OF *RAND CORP.*, WHETHER DANNY REALIZES THAT OR NOT.

WE'LL BEGIN CONSTRUCTION ON YOUR *MAGLEV TRAINS* AND YOU'LL STOP YOUR *TAKEOVER MANEUVERS*.

YOU UNDERSTAND IT WAS ONLY THE *TECHNOLOGY* THAT REMAINED OUTSIDE OF OUR GRASP. YOUR CORPORATION IS FUNCTIONALLY *USELESS* TO US. TO BE PERFECTLY FRANK, I'LL BE GLAD TO AVOID ALL THE PAPERWORK.

NOW: REGARDING THE *DEMONSTRATION MODEL*.

90% OF THE CONSTRUCTION SUPPLIES AND SUPPORT PERSONNEL ARE ALREADY THERE. WE CAN START BUILDING THE DEMO ROUTE YOU'VE SPECIFIED AS SOON AS NECESSARY...

...200 KILOMETERS OF ULTRAMAGNETIC TRACK CUTTING ACROSS THE *K'UN-LUN MOUNTAINS*.

NOW-- BEFORE YOU GO-- *PLEASE*-- CAN I SPEAK TO HER?

"CAN I SPEAK TO HER" WHAT?

CAN I SPEAK TO HER... *SIR*?

NO, YOU MAY NOT.

ORSON RANDALL,
THE GRAND COUNCIL OF
HEAVEN'S SEVEN CITIES HAS
RENDERED UNTO YOU ITS
VERDICT OF HOLY

YOU WILL BE
STRIPPED OF YOUR

My station...

AND IT BROKE ME WORSE

LEI KUNG
UNDERSTOOD THIS, SO
WHEN THEY SENT **HIM** TO

THAT I WAS **DEAD**.

--ANOTHER?

THERE ARE
SEVEN OF **US**, ALL
IN ALL. ONE DAY SOON
YOU'LL BE ASKED TO
FIGHT THEM.

TO **CONTINUE**
THE LEGACY OF BLOOD
AND DEATH, DISGUISED
AS HONOR.

THAT'S
WHY YOU TOOK
THIS?

YES, I HOPED
WITHOUT THAT BOOK--
THE HISTORY--THAT THE
LINE OF THE IRON FISTS
WOULD END WITH
ME.

BUT I WAS
STILL YOUNG THEN.
I DIDN'T UNDERSTAND
THE **WEIGHT** OF IT.

THAT'S HOW YOU SPENT YOUR MONEY? NOT MAKING THE WORLD A BETTER PLACE OR CURING DISEASE OR--

OH, NO-- I MAKE THE WORLD A BETTER PLACE AND CURE ALL KINDS OF DISEASES. BUT IN *MY CITY*, I ALSO OWN A LOT OF BUILDINGS.

THEY'RE ALL CONNECTED AND LEAD TO *HOME* IN ONE WAY OR THE OTHER.

I GOT THE IDEA FROM A BOOK ABOUT *THE UNDERGROUND RAILROAD* WHEN I WAS A KID.

To be the immortal Iron Fist.

An Iron Fist with a power unlike **anything** Davos has ever faced before...

Just like that, it was over...

...only nothing's ever really over for people like us, is it?

The following 8-page story was first printed in the one-shot *CIVIL WAR: CHOOSING SIDES*. Tying into *CIVIL WAR*, this “issue #0” story bridges the gap between the pages of *Daredevil* — where Danny Rand masqueraded as the Man without Fear to cover for his imprisoned friend Matt Murdock — and *IRON FIST* #1.

I make it a habit these days...

To follow the sirens...or the screams.

Most times...
in this neighborhood...

You only get one
or the other.

DAREDE

This neighborhood...

My neighborhood.

VIL--!

Being back in action...
being of some use again...

I feel like I'm *where I belong*.

HE TOOK THE *BAIT*.
HE TOOK THE *BAIT*--

MOVE *IN*--

BAIT?

And not a day
goes by--

AH.

...where I'm not reminded
how *rusty* I've become.

I was trained...
to be a **living weapon**...

Before me, the beast called **Shou-Lao**,
the **Undying**, lay slain...my flesh marked

And I plunged my hands into his burning and unholy **heart**...

And my fist became like unto...

...a thing of **iron**.

I am Danny Rand.

The Immortal Iron Fist.

I made a promise to Matt Murdock to wear his mask...I've fought this war in his place... And I'll continue to.

But I haven't **forgotten** who I am...

...and soon it will be time to carry my **own** burdens again.

CHARACTER DESIGNS

with commentary by artist David Aja

We all agreed the costume needed a minor update, and the first thing Ed suggested was changing his ankle slippers for 'ninja'-type boots. After that, we started working out the details: wide pants, cinched pants; collar, no collar; combinations of colors...but always keeping the spirit of the original costume.

Changing the suit was always part of my plan. I think the collar takes away some of the dynamic impact, and the open chest could work in the '70s...but today, not really. I intended to visualize the new costume design [at right] side by side with the current Luke Cage and still have them match. So when I saw that the Mechagorgon destroyed Danny's original costume, I thought, 'This is my chance!' It also looked better with Danny's bandages than the open chest would have.

Matt suggested we do a costume sort of like Bruce Lee's yellow track suit in 'Game of Death,' and I came up with these just to show him how crappy it would look. It's horrible.

This sketch was created one morning while I worked on *Daredevil* #88. I didn't know yet that I would do [Iron Fist] and I still hadn't started to design anything. That was how I found out and agreed to do the series.

This was one of the many small ideas I had during the sketching process. In case Danny became a Hero for Hire again, this was for him to greet his clients in a more elegant costume.

The first thing I was clear on [when designing the past Iron Fists] was that there couldn't be spandex before the 20th century, and from there on it was research, looking at old paintings and woodcuts, Hong Kong period movies, etc...I also wanted to evolve the characters' attire as a precedent to Danny's current costume. For Bei Ming-Tian, I based myself on the classic vestments of Shaolin monks. Matt and Ed wanted to add a 'ronin'-style hat, so, basing myself on the styles of Chinese straw hats, I added a mesh for his eyes more in the Japanese style. I also added a scar on his eye, possibly from his encounter with Shou-Lao.

BEI MING-TIAN (1194-1227)

BEI BANG-WEN
(1827-1860)

Bei Bang-Wen is a variation of the uniforms of [19th-century Chinese revolutionaries] the Boxers. I wanted to create the feeling of a pretty "informal" costume.

For Orson Randall, the look was very clear: a little bit of [classic pulp heroes] the Phantom, Doc Savage, the Shadow and the Spider, plus the current Iron Fist mask.

ORSON RANDALL (1900-1933)

Wu Ao-Shi would have her eyes painted in honor of Bei's scar, which would later become the typical feature of the eyes of the Iron Fist mask.

鐵拳

The Chinese characters [in the logo] mean "iron fist"...that much was obvious, huh? I also redesigned Danny's tattoo. But as you can see, that came after designing the issue #1 cover.

THE IMMORTAL IRON FIST #1

COVER PROCESS

The idea with the cover design was to create a unifying look for the entire mini-series, which later became just the first story arc. I also tried to make the title treatment and logo another essential part of the cover, to play an important part in the design. I veered off into big, white areas mainly because it's not something you tend to see on super hero books, and would call attention to the book on the stands. Also, anybody would be able to see from far away that a new issue had come out.

"Old-fashioned wham-bang action meets thoroughly modern pathos in this comic book featuring new adventures of the 1970s Marvel superhero."
